

destination (office, etc.) of the action response in S2404. Then, in S2405, an invoice is received from the destination of the action response. If the item and others of the invoice match in S2406, then the invoice amount is paid in S2409. If they do not match, then an error notification is displayed and transmitted to a destination in S2407, and the above mentioned check is repeated if re-transmission is performed in S2408. --.

Rewrite the paragraph starting at page 42, line 19, and ending at page 42, line 24, as follows:

-- 2. If the action case is not 'opened' N days (for example, 3 days) after the transmission date, a visual reminder is transmitted to the staff of the intellectual property right acquirement section on the necessary display (for example, using a yellow color) for the action case. --.

Rewrite the paragraph starting at page 42, line 25, and ending at page 43, line 4, as follows:

-- 3. When the specified due date has been passed, the action case is colored (for example, blue) different from the color of 2 above regardless of whether or not the action case has been 'opened' as a visual reminder to the staff of the intellectual property right acquirement section (however, an already returned action case is not colored). --.

Rewrite the paragraph starting at page 43, line 5, and ending at page 43, line 12, as follows:

-- 4. M days (for example, seven days) prior to the legal due date, the action case is colored (for example, red) different from the colors of 2 and 3 above regardless of whether or not the action case has been 'opened', or whether or not the specified due date has been passed, thereby visually reminding the staff in the intellectual property right acquirement section of the action case. --.

Rewrite the paragraph starting at page 43, line 13, and ending at page 43, line 18, as follows:

-- 5. About the action case occurring by urgent facsimile, the action case is colored in the same color as 4 above regardless of whether or not the action case has been 'opened' to visually remind the staff in the intellectual property right acquirement section of the action case. --

Rewrite the paragraph starting at page 43, line 19, and ending at page 43, line 25, as follows:

-- 6. The conditions of the above mentioned display parameter (reminding conditions such as values of N and M, color, etc.) are set by the staff in the intellectual property right acquirement section on the client PC, and stored in the non-volatile memory of the client PC, thereby successfully customizing the process. --.

Rewrite the paragraph starting at page 45, line 5, and ending at page 45, line 10, as follows:

-- 3. If the action case is not 'opened' P days (for example, 7 days) after the reception date on the staff side, a visual reminder is transmitted to the boss of the intellectual property right acquirement section on the necessary display (for example, using a red color) for the action case. --.

Rewrite the paragraph starting at page 45, line 11, and ending at page 45, line 16, as follows:

-- 4. If the action case is not 'requested' Q days (for example, 10 days) after the reception date on the staff side, a visual reminder is transmitted to the boss of the intellectual property right acquirement section on the necessary display (for example, using a yellow color) for the action case. --.

Rewrite the paragraph starting at page 45, line 17, and ending at page 45, line 22, as follows:

-- 5. About the action case occurring by urgent facsimile, the action case is colored in the same color as 3 above regardless of whether or not the action case has been 'opened' to visually remind boss of the staff in the intellectual property right acquirement section of the action case. --.

Rewrite the paragraph starting at page 45, line 23, and ending at page 46, line 2, as follows:
